PASTOR'S CORNER

My Dear Friends,

Christmas is right around the corner! You can see and hear it everywhere, and I love it.

The writer, Dave Berry, wrote in the Chicago Tribune Magazine: To avoid offending anybody, the school dropped religion altogether and started singing about the weather. At my son's school, they now hold the winter program in February and sing increasingly non-memorable songs such as "Winter Wonderland," "Frosty the Snowman" and--this is a real song--"Suzy Snowflake," all of which is pretty funny because we live in Miami. A visitor from another planet would assume that the children belonged to the Church of Meteorology.

It's funny how something so wonderful can get off track, but there is still an undercurrent of joy present everywhere you turn, and that is good.

An anonymous writer wrote these words: If our greatest need had been information, God would have sent us an educator; If our greatest need had been technology, God would have sent us a scientist; If our greatest need had been money, God would have sent us an economist; If our greatest need had been pleasure, God would

have sent us an entertainer; But our greatest need was forgiveness, so God sent us a Savior.

Our greatest need. Think about it. What is YOUR greatest need today? The gift of God's love will come to each of us throughout the season, and we will soon resonate with those throughout the ages: "Silent Night, Holy Night."

And, as Tiny Tim said: "God bless us, every one!"

This is our third Christmas with you at First Presbyterian, and we give thanks every day for the privilege of ministering with you. May God bless you in this season, and through the year ahead.

Rev. George and Debra Head
