PASTOR'S CORNER

My Dear Friends,

During the terrible days of the Blitz, a father, holding his small son by the hand, ran from a building that had been struck by a bomb. In the front yard was a shell hole. Seeking shelter as quickly as possible, the father jumped into the hole and held up his arms for his son to follow. Terrified, yet hearing his father's voice telling him to jump, the boy replied, "I can't see you!"

The father, looking up against the sky tinted red by the burning buildings, called to the silhouette of his son, "But I can see you. Jump!" The boy jumped, because he trusted his father. The Christian faith enables us to face life triumphantly or meet death with a sense of peace, not because we can see, but with the certainty that we are seen; not that we know all the answers, but that we are known.

I know you share my heavy heart over the horrific violence occurring in recent days, especially concerning the children murdered in Texas. I know there must be an answer that will lead us away from such tragedies, but I do not know what it is. The whole "Thoughts and Prayers" mentality is not working. I am looking for "Thoughts, Prayers and Action." I believe God has a solution for us. And when it is made known, it will be up to us to jump.

Rev. George T. Head

The Good News News-letter will resume in September. Have a great Summer!
