PASTOR'S CORNER

My dear friends, greetings! As Easter has passed for this year, and we look to the year ahead with all it's possibilities, I am reminded of an important reality: our task is to impact the human heart and inspire people to a closer relationship with God.

It was 218BC when Hannibal, who was filled with hatred for the mighty Roman Empire looked down from the lofty Col de la Traversette pass in the alps. He would bring his army down the mountain to attack Rome, but there was a problem: a huge bolder blocked the pass. His army was stopped cold in their tracks. They tried everything to move the enormous rock, picks and hammers, even sacrifices and incantations were useless. Frustrated and angry, Hannibal gave orders that made no sense, "Burn it!" he commanded. Burn a rock? The soldiers always did what he commanded so trees were cut and piled all around the rock and lit on fire. A huge fire it was! After a time of intense heat, a loud "Crack" was heard all up and down the valley and the impenetrable rock split. The army was able to move forward and the course of world history was changed forever.

To create a better world, people will promote better education, improving the environment, providing economic assistance or social programs. As helpful as these things are, they are like useless picks and hammers scratching the sides of an enormous rock. Only God can change the human heart. When we seek to do God's will in our mission and ministry, we are only heaping wood around the hearts of people that is lit by the power of the Holy Spirit for the purpose of changing people from the inside. It is what we do as a church and individual disciples. God's grace does the real work, we just gather wood.

Rev. George T. Head

The Office will be closed on Monday, May 30th in observance of Memorial Day! Please be safe but enjoy the day...
