To whom it may concern,

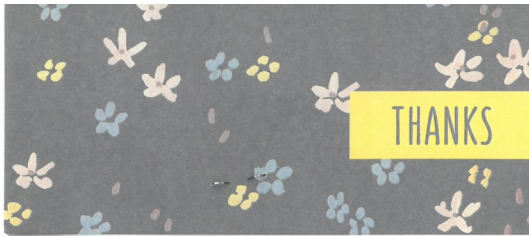

I am the school counselor at Read-Pattillo Elementary. On the school's behalf, I would like to take a moment to thank your organization for the most generous donation of school supplies, food and the monetary donation.

Many of our families are unable to provide their children with the necessary supplies to help them succeed in school. This can really impact students in their confidence and make them feel unsettled. With what you have provided us, they can begin the school year with everything they need and feel no different from anyone else. These supplies assist students by making them feel comfortable that they have their supplies and provide them with a sense of relief that they may not have had. Your monetary donation will help us further provide for our students as needs arise.

We cannot thank you enough and appreciate all of the help that you have provided.

Yours truly,

Danielle Thompson

**Thank You's from the Elementary Schools we donated school supplies to this year. Thank you your all for your support in helping the children.**

*Our school would like to thank you all for the GENEROUS donations & check to support our teachers & students. We are blessed to have your support for our Wildcat Family! Chisholm Elementary*
