SESSION HIGHLIGHTS JULY

The Session of First Presbyterian Church met on Monday, June 17th and below are a few highlights:

1. Reviewed and approved the existing **Open Meeting Policy** which confirms that each committee and Session meeting is open for anyone to observe. Each Session meeting begins with an opportunity for those in the congregation to address the Ruling Elders with comments or questions with no expectation of an immediate response from the Session.
2. Approved a new ministry, coordinated by Ruling Elder Susan Stuckey, entitled, **I Can Ministry**. Based on the scripture from Mark 14:6-9, as Jesus defended the woman who anointed him when the disciples criticized her, by saying, "She did what she could." This ministry will meet the needs of those who cannot drive themselves to worship on Sunday morning by finding those who say, "I Can" drive someone to worship. Watch for details!
3. Received reports from each of the committees, including the Education Committee that announced an **Adult Vacation Bible School** will be held from Monday to Thursday, August 12 to August 17, led by Pastor George Head, and the Missions Committee appointed Milton Fulton as chair for the **Bike Ministry**, established by Chuck Nighswonger.
4. Heard the initial report from the **Hurricane Disaster Preparedness** team to ensure we are ready in case of a hurricane to protect the facility and provide communication and care for our congregation. We will welcome Kathy Broyard, representative from the Florida Presbyterian Disaster Assistance Network (FLAPDAN), on July 14th to assist us as we prepare.

150th TASK FORCE UPDATES FOR JULY

The 150th Anniversary Task Force met on Monday, June 17th with decisions being made and plans continuing to take shape. Below are some of the highlights of the meeting:

1. We were excited to finalize the **150th Anniversary Logo** that is printed with this report.
2. The **Fellowship** Team is planning multiple events throughout the year, including a luncheon following church clean-up, an ice cream social, and a cake reception following a concert.
3. The **Missions** Committee presented their plan of "150 Acts of Kindness" to be completed during 2025. This will include kindness to our congregation and community, as well as national and international ministries. Watch for details!
4. The **Property** Committee has already begun upgrading our facility by painting the hallway and paneling in the meeting rooms of the Education Building. The rooms that are completed look much brighter and welcoming.
5. The **History** Team is gathering resources and material for writing a refreshed history of our 150th Anniversary. If you have pictures or historical material you are willing to lend to them, please let me know.
6. We also have other teams working on a wide variety of topics, so watch for details on worship, music, and special events because there will be multiple ways you will be able to help plan or participate.

If you have suggestions or questions, please contact Anne Perdue at (386) 478-3479 or anne0415@cfl.rr.com.
